

Maternal and Child Health Advisory Task Force
Friday, August 16, 2024
9:30 am – 11:30 a.m.

The duties of the Maternal and Child Health (MCH) Advisory Task Force are to review and report on the health care needs of mothers and children, review and report on MCH services provided to mothers and children, review and report to the commissioner program guidelines and criteria essential to providing an effective MCH program to low-income populations and high risk persons, make recommendations to the commissioner for the use of other federal and state funds available to meet MCH needs, make recommendations to the commissioner of health on priorities for funding MCH services (prenatal, delivery, postpartum, comprehensive health care, adolescent health, family planning, preventative dental, services for children with special health care needs, and any other services that promote the health of mothers and children), and establish in consultation with the commissioner statewide outcomes that will improve the health status of mothers and children. (MN Statute 145.8811)
