

# Let's Get Past the Pandemic!

04/13/2021

**Even if you are vaccinated, the fastest way to get back to the things we love is to:**

Continue to mask up when you are:

- In public.
- With people who are at risk.
- Visiting with unvaccinated people from other households.

Stay home if you feel sick.

Stay 6 feet (2 meters) from others when recommended.

**We will keep going. It takes all of us to keep our communities safe.**
