

# Minnesota WIC Enfamil Formula Substitutions

JULY 17, 2024

Mead-Johnson, the manufacturer of Enfamil formulas, had a warehouse damaged in a recent storm. As a result, formula allocations to your store may be smaller and/or shipments may be delayed. Enfamil Gentlease, Reguline, and Enfamil AR are the formulas that may be impacted. Enfamil Infant/Premium is not expected to be impacted by this warehouse damage. Minnesota WIC is allowing these larger can sizes of Enfamil formulas starting July 17 out of caution until further notice.
