

Charting the Course **FOR CHANGE**

A Virtual Experience

June 22-23, 2021

MINNESOTA
**RURAL
HEALTH**
CONFERENCE

Register or Sponsor Today!

The conference offers a track tailored to a general audience and a new track including content tailored for students.

www.minnesotaruralhealthconference.org

Six Interactive Workshops:

Learn how to strengthen policies for better **health equity** outcomes; discover how to enhance **telehealth** services; practice reframing rural health and **healthy aging** issues to build support and effect change; and acquire **leadership tools** for building **resilience**;

Students: Explore workforce resources to meet current and future needs and prepare for rural practice.
