

# Hemp-Derived Cannabinoid Product Event Checklist<sup>1</sup>

- Are all of the vendors who are selling hemp-derived cannabinoid products registered with the Minnesota Department of Health?**
- Has the organizer received a list of products planned for sale at the event?**
- Are the products for sale only compliant edibles and beverages?**  
(Please refer to the Hemp-Derived Cannabinoid Product Compliance fact sheet for details.)
- Has each vendor provided a plan of securing edibles** in a way that they are not accessible to customers?
- Is attendance restricted to people ages 21+?**
  - If YES, ensure it is enforced.
  - If NO, ensure the vendors are held responsible for ensuring only those 21+ can purchase hemp-derived cannabinoid products.
- If the organizer is selling, distributing, or giving away** any hemp-derived cannabinoid products, they must also be registered in addition to the vendors.
- If there will be onsite consumption of edibles and/or beverages, does the event organizer have an on-sale liquor license required under MS 340A?**
- Is there a plan for the disposal of unused or partially used** hemp-derived cannabinoid product?
- Has a copy of the Hemp-Derived Cannabinoid Product Compliance fact sheet** been presented to all vendors or will it be made available to them before the event?
