

# Minnesota Department of Health Vaccine Programs

## Minnesota Vaccines for Children (MnVFC) Program

**Provided by:** The Minnesota Department of Health with federal funding.

**Population served:** Children (0 through 18 years) who fall within any of these categories:

- Uninsured.
- American Indian/Alaskan Native.
- Covered by a Minnesota Health Care Program (MHCP) including:
  - Fee-for-service Medical Assistance (MA).
  - MinnesotaCare (MnCare).
  - Prepaid Medical Assistance Plan (PMAP).
- Underinsured<sup>1</sup>

**Providers:** Must be enrolled in MnVFC.

**Vaccine ordering:** All recommended childhood vaccines may be ordered via the Minnesota Immunization Information Connection (MIIC).

**For more information:** Call 651-201-5522 or 1-800-657-3970.

## Uninsured and Underinsured Adult Vaccine (UUAV) Program

**Provided by:** The Minnesota Department of Health with federal funding.

**Population served:** Adults (19 years and older) in these categories:

- Uninsured
- Underinsured<sup>1</sup>

**Note:** Adults on a Minnesota Health Care Program (MHCP) are **not** eligible.

**Providers:** Must be enrolled in UUAV.

**Vaccine ordering:** Participating sites can order adult vaccines via the Minnesota Immunization Information Connection (MIIC).

**For more information:** Call 651-201-5522 or 1-800-657-3970.
