In a previous [MnVFC Announcement: 2024-2025 MnVFC COVID-19 Vaccine Ordering \(www.health.state.mn.us/people/immunize/hcp/mnvfc/ma28aug24.pdf\)](https://www.health.state.mn.us/people/immunize/hcp/mnvfc/ma28aug24.pdf), we announced we were opening a special vaccine event to distribute MnVFC COVID vaccine for doses needed early in the season. We are now transitioning to the routine order form in MIIC for MnVFC COVID vaccine. Here's what you need to know:

- The 2024-25 MnVFC COVID special event in MIIC is now closed.
- MnVFC COVID vaccines will now be continuously available for ordering on the routine MIIC ordering form along with your other MnVFC vaccine products. Log in to MIIC and click 'create order' to access this routine order form.
- We will have Novavax's COVID vaccine available on the ordering form along with Moderna and Pfizer COVID vaccines.

The Minnesota COVID-19 Vaccine Guide is now available on our [COVID-19 Vaccine Providers \(www.health.state.mn.us/diseases/coronavirus/vaccine/provider.html\)](https://www.health.state.mn.us/diseases/coronavirus/vaccine/provider.html).
