

# Noncertified Birth Record Request

Use this form to request a noncertified (informational only) Minnesota birth record on plain paper. If we cannot find the birth record you request, we will send you a noncertified Statement of No Birth Record Found.

NOTE: County offices generally provide the fastest vital records service; in-person requests can often be fulfilled while you wait. Non-certified birth records are available from any Minnesota county. Records for births in 2000 or before are only available from the county of birth or the Office of Vital Records (Minnesota Department of Health).

*It's illegal to give false information to obtain a vital record, and it may subject you to fines, jail time, or both.*
